

## **HELPFUL REMINDERS FOR FIRST TIME CAMPERS OR GUEST AT CLOUD 9 RANCH!!**

**SPEED:** Observe 10mph posted in ALL campgrounds and OTHER POSTED SPEED LIMITS. 25mpg is the maximum speed anywhere inside the Gate.

**STREAM RULES:** Missouri is very strict about protecting our natural water ways. ONLY cross the water at designated crossings. Do NOT Park in the stream at any time. Joyriding up and down the stream or repeatedly crossing back and forth is STRICTLY PROHIBITED. A map with marked trails and designated crossings is available for purchase at the Trading Post or you can get a map for your smartphone or tablet from the Avenza Map app for Android or Apple.

**CAMPsite BOUNDARY (Commonly called waterlines):** Your campsite boundary is the buried utility lines that runs at the back of campsites between the electric boxes. You are encroaching on another campsite/common area when crossing or parking on that line. You MUST use ONLY the campsite you are parked at, even when the area beside or behind you is unoccupied. Ask a Ranger if you need clarification or if you need overflow parking. \*Pull through pads are the ONLY exception.

**CAMPFIRES:** Please do NOT leave a campfire unattended!!! Fires are allowed in the fire ring (not all camp sites have them) or in a portable above ground fire pit. Firewood is available at the Gatehouse.

**PETS:** Please do NOT leave your pets unattended!!! If you are away from your campsite, leave your pets inside, but not for long periods of time. Also, pick up your pet's "deposits" when you walk them in common areas (DON'T USE OTHER CAMPSITES).

**NOISE:** People come to Cloud 9 for many reasons- many for peaceful relaxation- please respect this in the campground and keep your campsite parties, music, and riding at a reasonable noise level for the benefit of other campers. Use common areas for large gatherings. NO noise during quiet hours- Midnight (12am) to 6am EVERY DAY!

**Rangers are here to help you enjoy your stay and protect the facilities and natural beauty of Cloud 9. Call the Gatehouse anytime 24/7 for help or ask a Ranger to come see you. 417-284-7321 Ext. 1015 or 1016**
