***Hi Everyone!***

**LEE KROUT  
RANCH MANAGER**

What a great weekend we just had at the Ranch! We had lots of people back on property enjoying themselves and the weather was unbelievable.

Thanks to the extremely warm temperatures this last weekend Fogey dried out enough for us to get most of the work we were doing completed. All of Fogey except for pads 68-75 will be open as of Friday March 27th at 8:00 am. Pads 68-75 will be black bagged, and we will try to have them open in a week or two. There will be some more work being done in that area so please watch for the employees working on the equipment.

We had to dig up and replace 50 feet of sewer line in Lonesome this week. Once again, we found large rocks in the pipe that had damaged the pipe and eventually clogged it. Please don't drop rocks into the sewer lines. If you accidentally knock a large rock in when you are disconnecting or connecting, please just call the Gate and let us know. Many times, we can recover it before it has a chance to wash down the pipe and get stuck.

Just a reminder please put your picnic table back on the concrete pad when you move off a spot. It helps with the mowing and lets people know the spot is available.

The new adult pool has been painted, and we will be filling it with water on Tuesday. Employees have training next Friday. Since it will have water in it, we are required to have temporary fencing to keep people up until we get the permanent fence installed. The permanent fence is ordered and will be here soon and then installed. Until then please do not go past the temporary fencing without permission. We are still on track for the grand opening on May 22nd.

Thanks
