MANAGERS Report

May 7th, 2026

Hi Everyone!

**LEE KROUT
RANCH MANAGER**

Finally, there is some sun today! We have had a few days of cloudy cool weather, not much rain just dreary cool days. This morning the sun was shining brightly, and the birds were singing at Cloud 9 Ranch. It would be a great morning to wake up and enjoy a cup of coffee and some breakfast in front of your camper.

The Board of Directors approved a test year of a work camper program. There will be a separate notice in the 9 lines and posted on our website and Facebook page.

This is a test program to see how much interest there is and to see how well it works. If it is decided it is not feasible it will not be brought back next year.

If you live at the Ranch or spend the summer months at the Ranch, please investigate the program.

We are working hard to get both pools ready; the new adult pool will be open on May 22nd. The family pool should be but there are always doubts until we get it full and see if it has any major leaks.

Thanks
Lee Krout

CLOUD 9 RANCH

WORK CAMPER PROGRAM

CLOUD 9 RANCH
Family Camping & ATV Resort
Caulfield, Missouri

This year the Board of Directors have agreed to try a new work camper program. There will be 6 positions open, the positions will have a primary duty of monitoring Compound 2 and 3. They will be required to escort members into the compounds to retrieve or put away campers or trailers. The hours that will be covered will be from 10 am till 6 pm Thursday through Sunday. On certain holidays they may also be needed on Monday. There may also be some other work directing outbound traffic at the front gate at the end of major holidays.

Work campers will be paid as 1099 employees and will not be eligible for benefits, and will be responsible for their own tax reporting. They will be paid \$10.00 an hour for hours worked and will be given a discount of \$5.00 a day for pad usage as long as they work at least 8 hours a week, they will pay \$6.00 a day instead of \$11.00 a day for usage. Work campers must provide their own vehicle, SXS, or ATV to escort people in and out of the compounds.

- Work campers will continue to follow campground pad move rules.
