Hi Everyone!

**LEE KROUT
RANCH MANAGER**

Memorial Day weekend is almost here! Please remember if your camper is out on a pad Friday the 22nd, Saturday the 23rd, and Sunday the 24th it must be occupied. All other Holiday rules are also in effect.

We have a lot of new members if you are one, please make sure you have read the rule book, there are a lot of rules that are centered around Memorial Day, 4th of July, Labor Day, and Halloween.

I don't anticipate having to double up for Memorial Day, but it is always a possibility. We will start posting how many spots are open Tuesday of next week. Remember pads are first come first serve, no reserving pads. If you have a friend (who is a member) that you really want to have next to you and your spot is big enough to double up on we can make that happen. Just contact a Ranger and they will assist you. If we do fill up the Rangers will start doubling people in several places. There have been some friendships made due to doubling up on a Holiday weekend!

Thanks

Lee Krout

WORK CAMPER PROGRAM

CLOUD 9 RANCH
Family Camping & ATV Resort
Caulfield, Missouri

This year the Board of Directors have agreed to try a new work camper program. There will be 6 positions open, the positions will have a primary duty of monitoring Compound 2 and 3. They will be required to escort members into the compounds to retrieve or put away campers or trailers. The hours that will be covered will be from 10 am till 6 pm Thursday through Sunday. On certain holidays they may also be needed on Monday. There may also be some other work directing outbound traffic at the front gate at the end of major holidays.

Work campers will be paid as 1099 employees and will not be eligible for benefits, and will be responsible for their own tax reporting. They will be paid \$10.00 an hour for hours worked and will be given a discount of \$5.00 a day for pad usage as long as they work at least 8 hours a week, they will pay \$6.00 a day instead of \$11.00 a day for usage. Work campers must provide their own vehicle, SXS, or ATV to escort people in and out of the compounds.

- Work campers will continue to follow campground pad move rules.

Essay written by Member 3005's 17-year-old son. Writing is a huge chore for him because English class is a struggle for him but when it came to writing about Cloud 9, it became much easier!

They we're studying Henry David Thoreau's essay about his "Walden" or happy place from his childhood.

My Walden is at Cloud Nine RV Ranch in Caulfield, Missouri. Though this ranch isn't completely without its busyness, especially during holidays, it helps me realize how majestic nature can be when not confined to the rules of man. Mostly this is my Walden because it allows me to take a step back from the oppressive fog of hustle that permeates my day to day life and enjoy the simple things in life like mushroom hunting and trail riding. I encountered this tranquil environment because my grandparents often frequent it, enjoying its trails and events. I also like to swim in the nearby creek, when the temperature permits, though the water is always cold when I swim in it. When I go to Cloud Nine Ranch I come back refreshed and with a new enjoyment of what life has to offer. In the summer the ranch also offers a pool with an ice cream shop. I love all of the different flavors they offer that I haven't tried yet. There are many other events the ranch offers to its guests, including bingo and holiday festivities. It is also nice to visit my friends and family that live out by the ranch that I don't see as often. I always regret the fact that I have to leave the ranch and return to my normal life, but I know I will soon return to its natural embrace when school is out. I may not be able to be at the ranch all the time, but the time I spend there is enough to leave a mark that will never truly fade away from my memory. The experiences I have had here I will carry with me for the rest of my life, being my source of comfort through many of my hardships.
