MANAGERS Report

May 28th, 2026

Hi Everyone!

**LEE KROUT
RANCH MANAGER**

What a great Memorial Day Weekend! We filled the normal pads by Friday morning and started utilizing the overflow pads. I'm sure a lot of people don't realize we have quite a few spots that are used for the Holiday weekends that only have power and water. These spots are not used normally but we have them 3 or 4 times a year when we need a few more spots. We will be blocking these spots off with cones on future holidays. We had a couple near the schoolhouse that we couldn't use because people blocked them with trailers. That brings up an issue we had this weekend. Several members are parking trailers without member numbers on them. Having the numbers on them allows us to contact the owner directly when there is a problem, I have put the rule about the numbers below.

It really was a great weekend. The weather cooperated and gave us just enough rain to keep the dust down but not enough to wash everything out.

The grand opening of the Adult Pool was a big success and there have been a lot of people using it since then. The hours for the adult pool will be 7:30 am till midnight. We will leave it open longer during some special events. So far everyone has been doing a great job of keeping it clean. I have only seen a few cigarette butts, but not very many. Thank you to everyone who uses it and cleans up after themselves.

We will have the stage stop in Wilder open very soon as well as the portable toilets placed in Fogey, sorry we did not have those ready last weekend, they are being worked on this week.

Membership Number and Placement: Each RV, camper, flatbed trailer, boat trailer, motor home, cargo trailer and any other type of trailer or camper, and all off-road vehicles, ATV, SXS, UTV, motorcycle/dirt bike, golf cart, etc. entering Cloud 9 Ranch shall have membership number displayed in three (3) inch numbers with minimum one half (½) inch stroke.

- RV, camper, flatbed trailer, boat trailer, motor home, cargo trailer, etc. must have member number on the front.
- All off-road vehicles, ATV, SXS, UTV, motorcycle/dirt bike, golf cart, etc. must have member number on the back.

Membership numbers must be visible with a contrasting color to their background. Failure to install membership numbers will result in a fine and possible suspension. See Fine Schedule in Appendix I.

Thanks

Nothing new in this week.

Currently ALL work campers spots are filled, but we are still taking applications!

WORK CAMPER PROGRAM

This year the Board of Directors have agreed to try a new work camper program. There will be 6 positions open, the positions will have a primary duty of monitoring Compound 2 and 3. They will be required to escort members into the compounds to retrieve or put away campers or trailers. The hours that will be covered will be from 10 am till 6 pm Thursday through Sunday. On certain holidays they may also be needed on Monday. There may also be some other work directing outbound traffic at the front gate at the end of major holidays.

Work campers will be paid as 1099 employees and will not be eligible for benefits, and will be responsible for their own tax reporting. They will be paid \$10.00 an hour for hours worked and will be given a discount of \$5.00 a day for pad usage as long as they work at least 8 hours a week, they will pay \$6.00 a day instead of \$11.00 a day for usage. Work campers must provide their own vehicle, SXS, or ATV to escort people in and out of the compounds.

- Work campers will continue to follow campground pad move rules.
- Actual work schedules will be worked out based on the availability of the work campers. Generally, shifts will be scheduled in 4 hour blocks.
- Work campers must be members in good standing.
