MANAGERS Report

June 11th, 2026

Hi Everyone!

**LEE KROUT
RANCH MANAGER**

The 4th of July is rapidly approaching! You don't have to wait till the weekend of the 4th to come enjoy Cloud 9 Ranch. We have at least one event every weekend now. We will be very busy over the 4th. Please remember to put membership numbers on your campers and trailers. The grass crews are mowing constantly now, even on the days it rains they get out between showers to mow what they can. We have had a few sewer clogs again this year where rocks and pieces of sewer lines were dropped into the sewer pipes and clogged things up. Please be careful not to drop things into the sewer connections. If you accidentally drop something in, please call the Gate and have maintenance come look at it. If you call before it gets washed down the line, it usually makes recovering it much easier.

We have also had a few issues with people using the walls and floors of stage stops instead of the toilets. There is no reason for this to happen, and it is not a pleasant job for housekeeping to clean up.

We had a well pump failure in Powder Mill last weekend. We had it pulled and replaced in less than 24 hours. It was 13 years old and showed no signs of any issues until it quit.

Remember with the 4th of July coming up you must occupy your camper if it is out on a pad. If you have any idea, you may not be able to make it, you need to make arrangements to have it removed from the pad before that weekend. We will be full again and I'm sure there will be some doubling up.

We are looking forward to the big fireworks display on the 4th as well as the members' fireworks display on Friday the 3rd. If this is your first time being on the Ranch during the 4th you are in for a real show.

Thanks
Lee Krout

WORK CAMPER PROGRAM

This year the Board of Directors have agreed to try a new work camper program. There will be 6 positions open, the positions will have a primary duty of monitoring Compound 2 and 3. They will be required to escort members into the compounds to retrieve or put away campers or trailers. The hours that will be covered will be from 10 am till 6 pm Thursday through Sunday. On certain holidays they may also be needed on Monday. There may also be some other work directing outbound traffic at the front gate at the end of major holidays.

Work campers will be paid as 1099 employees and will not be eligible for benefits, and will be responsible for their own tax reporting. They will be paid \$10.00 an hour for hours worked and will be given a discount of \$5.00 a day for pad usage as long as they work at least 8 hours a week, they will pay \$6.00 a day instead of \$11.00 a day for usage. Work campers must provide their own vehicle, SXS, or ATV to escort people in and out of the compounds.

- Work campers will continue to follow campground pad move rules.
- Actual work schedules will be worked out based on the availability of the work campers. Generally, shifts will be scheduled in 4 hour blocks.
- Work campers must be members in good standing.
