July 2nd, 2026

Hi Everyone!

**LEE KROUT
RANCH MANAGER**

The 4th of July weekend is here! This week's report will be dedicated to doubling up.

We have had all regular pads full since last weekend. If you are coming before Sunday and your camper is not out, already be ready to be doubled up. This only happens two or three times a year for a few days.

When you get doubled up with someone you will may only have a 30-amp plug available. Please try to reduce your electric usage if you are running a 50-amp camper off a 30-amp plug. You will not be able to run multiple air conditioners along with other devices like you normally can. Many campers have the ability to run refrigerators and hot water tanks off propane instead of electricity. If you are doubled up and have that ability it will help.

If you do double up and you have to unhook someone else's water or sewer while you hook yours up, please take note of how theirs was hooked up when you do. Some people run off their holding tanks and don't leave the water turned on all the time. If you end up turning their water on and they aren't around it can overflow their holding tank. Everyone does things a little differently, doesn't mean it is right or wrong. Just try to do the best you can to get through the weekend and have some fun.

Lastly, we will be closing the Family pool on Tuesday and Wednesday July 7th, and 8th to do maintenance on the filters. On July 7th and 8th from 9:00 am to 5:00 pm the adult pool will be open to anyone to use. There will not be a lifeguard on duty.

Thanks
Lee Krout

WORK CAMPER PROGRAM

This year the Board of Directors have agreed to try a new work camper program. There will be 6 positions open, the positions will have a primary duty of monitoring Compound 2 and 3. They will be required to escort members into the compounds to retrieve or put away campers or trailers. The hours that will be covered will be from 10 am till 6 pm Thursday through Sunday. On certain holidays they may also be needed on Monday. There may also be some other work directing outbound traffic at the front gate at the end of major holidays.

Work campers will be paid as 1099 employees and will not be eligible for benefits, and will be responsible for their own tax reporting. They will be paid \$10.00 an hour for hours worked and will be given a discount of \$5.00 a day for pad usage as long as they work at least 8 hours a week, they will pay \$6.00 a day instead of \$11.00 a day for usage. Work campers must provide their own vehicle, SXS, or ATV to escort people in and out of the compounds.

- Work campers will continue to follow campground pad move rules.
