July 30th, 2026

Hi Everyone!

**LEE KROUT
RANCH MANAGER**

It's almost 80's weekend time. I hope everyone has their neon clothes washed, and their hairspray purchased. One more week till the fun begins.

This weekend we have a Board of Directors meeting on Saturday morning. Saturday evening the Ranch Riders Club has their Glow Ride scheduled. This isn't just a ride where you show off your rock lights and whips. This is an overnight scavenger hunt where you look for lighted jugs. It has been a big hit the last couple of years.

We now have less than 10 memberships on sale for \$1,800. There is no reserving a membership at this price. If you or someone else, you know is interested in one contact the office or the gatehouse to purchase one. There is a simple application you must fill out that can be done in minutes. Just asking for an application does not save a membership for you. The price when purchased from the Ranch will go back to \$4,500.00 as soon as the 200th membership is sold.

There are a few spots on the trail system where neighbors' houses are close. Not very many but a few. Most of them have signs posted or you can physically see the house. Please be respectful and stay off their property and keep the noise down in those spots. Again, there are a very small number of these spots.

Thanks
Lee Krout
General Manager

C9R Election Update

Starting this year, we will be using a digital voting process through ElectionBuddy. A link to cast your ballot will arrive via text and/or email, no postage or envelopes to deal with.

However, we just did a test and

If you did not get the test ballot, make sure the phone number and email address we have on file for your member number is up to date, either contact the office or gatehouse to do so. You can also email your member number, name, phone number and email address to ballots@cloud9ranch.com.

We also had several members not get the test ballot because it went to junk or spam files and several members did not get the text message because they had their phone set to not allow numbers outside of their contact list.

Overall the test was a great success with over 2000 responses instead of the usual 300-500 we normally get back.
