August 13th, 2026

Hi Everyone!

**LEE KROUT
RANCH MANAGER**

80's weekend was another success! The Fire Department and employees did a great job of preparing and putting on the events. Mother nature didn't cooperate Friday night and caused some issues. However, the band Plush agreed to come back Saturday and perform ahead of Machine Gun Symphony. Thank you to them and everyone involved for making it happen.

There will be trout stocking Friday the 14th. Remember there is no fishing Friday after the trout are released until Saturday morning.

The Craft House has a craft class Saturday at the Pavillion.

It has been very hot this week and it looks like it will be all weekend. If you come, be safe and stay hydrated.

We are currently going through compounds 2 and 3 checking for campers and other items that have not moved out of the compounds in 2 years. We have found several that do not have membership numbers on them or have multiple membership numbers on them. Please remember the rules state you can only have one membership number on anything requiring them. If you share it with someone else the numbers need to be attached so they can be changed depending on who is using it. Also please use all four numbers. Even if your first number is zero. Numbers fall from time to time and it causes delays in communication and other things if we must figure out if it was supposed to be a 0100, 1100, 2100 or any other combination. Please use all four numbers when placing them on items.

Also remember per the rules you are only allowed two storage spots, including Conex containers. You can have a Conex and one spot in a compound or two spots in compounds, or two Conex containers, as long as you only have two spots total.

Thanks
Lee Krout
