October 15th, 2026

Hi Everyone!

**LEE KROUT
RANCH MANAGER**

We are finally getting a little bit of rain. Nothing major just a couple of days of slow steady rain.

Saturday is the Conservation Committee Turkey Shoot. It is a fun event every year, if you don't have a shotgun they have some you can use and they provide shells. For those that don't know how it works, it is a target shoot competition. You and four others line up and shoot at your own target. The closest pellet to the bullseye wins a frozen turkey. It starts at 10 am at the Gun Range. If you don't know where that is, stop at the gate and they will direct you to it.

Demolition of the old family pool is progressing quickly. Ranch employees have been working hard on it this week. If you want to pay your assessment in full now, you can. The gate or the office can take the payments. You do not have to pay until January 1st but several people have already made their payments. It is \$558.00 total if you want to pay up front. If you want to pay \$31.00 monthly you can set up a recur payment with the office or simply call or pay in person by the first of each month at the gate or the office.

**Thanks
