MANAGERS Report

LEE KROUT
RANCH MANAGER

November 5th, 2026

Hi Everyone!

Halloween was a big success! We had a little rain come on Halloween evening, but it didn't seem to dampen the fun. We had more people at the Ranch during Halloween than we did on the 4th of July!

On Sunday the 1st the Board of Directors met and approved the 2027 budget and set the fees and fines.

The only increase in fees was the price of rental cabins. They were increased by $10 a night. The deposit has always been the first night's stay; it is still the same however it is now non-refundable. This takes effect January 1st, 2027. If you have a last-minute emergency that keeps you from coming such as a death in the family or a medical emergency, you can speak to me, and I can authorize a refund. However, just changing your mind will not be grounds for a refund. This is being done to attempt to keep people from reserving multiple weekends and then cancelling 15 days before the weekend. The Board believes this will make people more selective when they reserve and open some weekends for others to rent.

The Board also implemented an off-season price reduction for the rentals. Starting January 1st, 2027, during the off-season there will be a $25 night price reduction for all rentals. They hope this will give people some incentive to rent for a couple of nights during the off season instead of not coming.

The Board implemented a reduced guest fee schedule for off-season as well.

Labor Day 2027 will not be considered a Ranch Holiday. The last two years we have had around 200 pads open on Labor Day. By removing it as a Ranch Holiday members will be able to have guests on their own pad, and you will not be required to stay in your camper if it is out on a pad. This is a rule change so it will be on the ballot in October for the members to decide if they want to keep it or change it back to a Holiday.

All these items have separate announcements in the 9 Lines as well as online.

There were also several new trials approved by the Board. There will be separate posts and notifications on them as they are completed.

Thanks

Congratulations Lailla!!!

Over 6 years ago, Lailla walked into our ranch family and became a valuable employee to the Restaurant, Trading Post, Big Top and Lifeguards!!! Lailla was always up to trying everything. If there was a job to do, chances are Lailla was jumping up and taking it on.

After the birth of her two children, Lailla decided to take on a challenge of Nursing School. Working full-time, raising two children was not enough, she started tackling her dream of becoming an RN.

In December, Lailla will graduate with honors from Missouri State School of Nursing and has accepted a job with Baxter Regional in Mountain Home starting in January. Her next goal is Nurse Practioner, I have no doubt she will do it. It is with a sad, but glad, heart Lailla will be leaving her employment at the Ranch. We will miss her, but she promises to visit!!! Before you leave for the final time this year, make sure you come up and Congratulate Lailla and wish her luck on her future endeavors.
